CIRCULAR

Sub: Publishing the activities of Bamboo Society of India – State Chapters in the Website

It is observed that several activities of Bamboo Society of India – State Chapters such as conducting seminars, workshops, group discussion and exhibitions are being conducted. But the publicity part of the activities are not forthcoming in the website of Bamboo Society of India. Some of the State Chapters are conducting Bamboo seminars, exhibitions, workshops, trainings etc. It should be made known to Bamboo Entrepreneurs, Bamboo Industrialists, Bamboo lovers, Bamboo growers and also other State Bamboo Chapters. It is worth to notify the planned calendar of events mentioning the activities of Bamboo Society of India including head office and its – State Chapters in the Website of Bamboo Society of India, (ie www.bamboosocietyofindia.in) so that the programs can be known to all concerned and also the image of Bamboo Society of India will increase in the eyes of public as well as at National level. We are happy to see such initiations taken up by Bamboo Society of India – Maharashtra Chapter.

Hence it is requested all the State Bamboo Chapters including head office to notify the planned calendar of events and activities of Bamboo Society of India well in advance in the Website of Bamboo Society of India regularly so as to avoid over lapping of the programmes among the State Chapters. If it is made known to all through website than the State Chapters will plan properly to notify the calendar of events of the respective State Chapters so that everyone will even get an opportunity to attend or participate in the programmes of other State Chapters. Hope all the State Chapters will note this suggestion and follow it scrupulously in future.
